

# TPI DC710 Smart Flue Gas Analyser & TPI View app

## NO Gimmicks

Just reliable, accurate FGA readings, same as your traditional unit, ONLY re-imagined to give you.....

Don't Look at ME

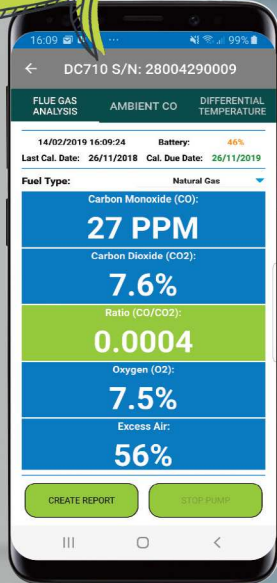

Look at ME !!

Use for BS7967

Use the DC710 with your existing TPI Probe & Carrycase for as little as: -

**£295**  
exc. VAT

- .... a Lower Cost Solution - No LCD or Processor, let your existing Android or Apple smartphone or tablet do the work
- .... a More Robust Unit - fewer components & no LCD to smash, but housed in a drop-tested, tough case with protective end caps
- .... an FGA that keeps what works - Water Stop Technology which has been in place across ALL our traditional FGAs for over 8 Yrs.
- .... an FGA that is easier to use - No clunky dials or complicated menus to learn or navigate
- ....Clearer identification of potential issues - Colour Coded, traffic light system of In/Out of Spec Readings
- ....More features as STANDARD - GPS tagged, colour coded reports that can be stored, printed & e-mailed, either individually or from within the Job Management
- .....in fact, we are so confident that you won't want to give it back that we are offering a 30 Day, Money Back Guarantee\* !!

## Try it out RISK FREE !!!!!

\*Unit MUST be returned to the purchasing outlet within 30 days of purchase and returned in original packaging with all supplied accessories along with proof of purchase. Contact TPI for further details.
